4. Development Control Panel Meeting
Planning Application 0701699FUL – Temporary use of existing building for employment (B1, B2 and B8) – Alconbury Airfield, was on the agenda at the forthcoming Development Control Panel meeting to be held on 17th September. The Planning Committee discussed whether the Parish Council wished to speak at this meeting. It was decided that a further written statement reinforcing the Parish Council's original concerns about this application should be prepared and submitted to the Development Control Panel, but that it was not necessary for Mr Watson to attend and speak at the meeting.
