## Action

### **Public Forum**

Mr Eddie Baker local resident, expressed concern over the state of the High Street at the Lordsway Park Homes end. He reported that there were numerous potholes, one of which was extremely large at some six inches. He also reported that the road near the gate to the allotments was in a very poor state of repair and asked the Parish Council what could be done about all the problems. The Clerk advised Mr Baker that whilst she would talk with Highways Agency about the condition of the High Street, she had already done this some months ago and been advised that they were unable to repair the potholes due to budget cuts. Clerk to report back to Mr Baker once contact had been made with Highways Agency.

Mr Pickering, Parish Councillor, informed the meeting that there had been two acts of car vandalism recently on the Great North Road, involving cars being “keyed” whilst parked outside owners’ properties. Mr Pickering confirmed that the police had been notified, however, he urged people to be vigilant.

Mr Bust, Parish Councillor, expressed concern over the ongoing replacement of street lighting within the Village. He reported that there was very little activity, especially along Rusts Lane where works had started some weeks ago and been left unfinished. Mr Pickering agreed to contact the County Council as Clerk would be on holiday.

## 48 Update from County Councillors

County Councillors Laine Kadic and Sir Peter Brown had sent apologies for their absence from the meeting. Mrs Aylott reported that the new bus service had been well received at the last public meeting and so far, seemed to be running satisfactorily. She offered thanks again to Laine Kadic on behalf of the Parish Council and residents of Alconbury for all the hard work she had put in to obtain funding and subsequently provide a new bus service.

Roger Read, local resident, expressed his concerns over the route, especially as he felt that the County Council, who had previously tendered the original contract for the route, had not provided a full service for the whole of the old “46” route. Mrs Aylott advised that he should contact Laine Kadic to discuss his concerns. Mr Read also expressed his disappointment that, having written to local MP, Jonathon Djanogly some weeks ago, he had still not received a reply.

## 49 Community Orchard-Visit from Bridget Halford

Mrs Aylott welcomed Bridget Halford from HDC to the meeting to discuss the Community Orchard. Bridget praised the Parish Council on the orchard and said that it was a great success and an exemplary orchard. She advised that, having visited the orchard immediately prior to the meeting, it had been a little overgrown and some weeding and cutting of nettles was required. Mrs Aylott agreed to organise a small group of people to perform the task.

Bridget felt that some more promotion of the orchard would be beneficial and suggested various ways to get the community more involved including “apple days”, interaction with the local school, a page on the website and apple picking days all of which were felt to be good ideas.

Mrs Aylott advised that an application for the tree warden position had been received and she would be contacting the interested person in the coming days and asking them to make contact with Peter Rowlings, former tree warden.

Mr Pickering agreed to monitor the orchard and requested that it was left on the agenda as a permanent item for the foreseeable future.

Bridget advised that an information board might be good idea. Mrs Aylott had

## 52 Youth Group

Mrs Adams reported that there had not been a YG committee meeting since the last Parish Council Meeting. She also reported that the YG had held a stall at the Village Fete and made a small profit.

## 53 Alconbury Sports and Social Club

Mr Watson reported that the ASSC committee had raised concerns that a sign may

be needed to emphasise the importance of parental responsibility whilst children are using the playground. All felt that this was not necessary by the Parish Council, however, there would be no objections to the ASSC committee erecting such a sign if they so choose.

## 57 Grass Cutting in the Village

Mrs Aylott reported that the contract for the grass cutting within the village was due for renewal in October 2012. Clerk confirmed that the PC would need to go to tender, however, the current contractor could tender a quote to be considered also. To be reviewed at August meeting.
