HUNTINGDONSHIRE DISTRICT COUNCIL

COMMUNITY GOVERNANCE REVIEW OF ALCONBURY AND ALCONBURY WESTON 2021

TERMS OF REFERENCE

INTRODUCTION

Aim of the review

Following the receipt of requests from Alconbury and Alconbury Weston Parish Councils, Huntingdonshire District Council has agreed to undertake a Community Governance Review (CGR) .

The request for the CGR was submitted in accordance with the Local Government and Public Involvement in Health Act 2007 and ***proposes to group the two parishes to allow a common Parish Council to be formed with the number of seats and split between each parish to be determined following community feedback from the consultation.***

In undertaking the review, the Council will be guided by Part 4 of the Local Government and Public Involvement in Health Act 2007, the relevant parts of the Local Government Act 1972, Guidance on Community Governance Reviews issued in accordance with section 100(4) of the Local Government and Public Involvement in Health Act 2007 by the Department of Communities and Local Government and The Electoral Commission in April 2008. Also the following Regulations which guide, in particular, consequential matters arising from the Review: Local Government (Parishes and Parish Councils) (England) Regulations 2008 (S12008/625); Local Government Finance (New Parishes) Regulations 208 (S12008/626).

This Council is required to have regard to Guidance on Community Governance Reviews issued by the Department for Communities and Local Government and Local Government Boundary Commission for England. This guidance was published in March 2010 and it has been considered when drawing up the Terms of Reference (TOR).

These Terms of Reference will set out the matters on which the review is to focus.

What is a Community Governance Review (CGR)?

A CGR is a review of the whole or part of the district to consider one or more of the following:

- Creating, merging, altering or abolishing parishes;
- The naming of parishes and the style of new parishes;
- The electoral arrangements for parishes (the ordinary year of elections; council size, the number of councillors to be elected to the council, and parish warding); and
- Grouping parishes under a common parish council or de-grouping parishes.

The Council is required to ensure that community governance within the area under review will be:

- Reflective of the identities and interests of the community in that area; and
- Is effective and convenient.

In doing so the CGR is required to take into account:

- The impact of community governance arrangements on community cohesion; and
- The size, population and boundaries of a local community or parish.

Why undertake a Community Governance Review?

The CGR is to be undertaken due to the receipt of requests from the existing Parish Councils. A review should be carried out in the interest of local electors to ensure the community governance arrangements for the area reflects the identities and interests of the area and are effective and convenient.

The government has emphasised that recommendations made in CGRs ought to bring about improved community engagement, more cohesive communities, better local democracy and result in more effective and convenient delivery of local services.

The recommendation within the request is to group the two parishes of Alconbury and Alconbury Weston to allow a common Parish Council to be formed. The Parish Councils have put forward the following reasons for their requests.

Alconbury

- Merging the two Parish Councils include the sharing of facilities, the shop, the doctors, sports and social club, school etc are shared across both communities;
- Cost savings could be made with having one Parish Clerk, one meeting per month where both Council's come together; and
- The Parish Council would share responsibilities across both villages.

Alconbury Weston

- Alconbury and Alconbury Weston Parish Councils are considering grouping to form a single Parish Council to serve both Parishes;
- This offers a number of benefits to both villages: we would be able to work together on issues – for example flooding and SpeedWatch – more effectively; and
- Residents of both villages would have more opportunity to have their voices heard over matters affecting the amenities that both villages share – for example: the surgery, the shop and the school.

Who will undertake the CGR?

As the principal authority, the District Council is responsible for undertaking any CGR within its electoral area.

It will be necessary for the Council to approve the final recommendations before a Community Governance Order is made.

Consultation

How the Council proposes to conduct consultations during the Review?

Before making any recommendations or publishing final proposals, the District Council will take full account of the views of local people. The District Council will comply with the statutory consultative requirements by:

- Consulting local government electors for the area under review;
- Consulting any other person or body (including a local authority), which appears to the District Council to have an interest in the review;
- Notifying and consulting the County Council; and
- Taking into account any representations received in connection with the review.

Information relating to the CGR will be available on the Council's website and key documents will be on deposit at the District Council's Offices, Pathfinder House, St Mary's Street, Huntingdon, Cambs PE29 3TN. Owing to COVID-19 restrictions, it may not be possible to view the documents at the Council Offices but if you wish to do so, please submit your request in writing to: Democratic.Services@huntingdonshire.gov.uk.

When taking account of written representations the District Council is bound to have regard to the need to secure that community governance within the area under review:

- Reflects the identities and interests of the community in that area; and
- Is effective and convenient.

The District Council will publish its recommendations as soon as practicable and take such steps as it considers sufficient to ensure that persons who may be interested in the CGR are informed of the recommendations and the reasons behind them.

The District Council will notify each consultee and any other persons or bodies who have made written representations of the outcome of the review.

The Present Structure of Alconbury and Alconbury Weston Parish Councils and Their Electoral Arrangements

Present Structure of parish governance in the area to be reviewed.

Parish	Number of Councillors	Electorate
Alconbury	11	1192
Alconbury Weston	7	612

Parishes

The Council wishes to ensure that electors should be able to identify clearly with the parish in which they are resident. It considers that this sense of identity and community lends strength and legitimacy to the parish structure, creates a common interest in parish affairs, encourages participation in elections to the parish council, leads to representatives and accountable government, engenders visionary leadership and generates a strong, inclusive community with a sense of civic values, responsibility and pride.

The Council considers that parishes should reflect distinctive and recognisable communities of interest, with their own sense of identity; the feeling of local community and the wishes of local inhabitants are primary considerations in this Review.

Electoral Arrangements

What does 'Electoral Arrangements' mean?

An important part of our Review will comprise giving consideration to 'Electoral Arrangements'. The terms cover the way in which a council is constituted for the parish. It covers:

- The ordinary year in which elections are held;
- The number of councillors to be elected to the council;
- The division (or not) of the parish into wards for the purpose of electing councillors;
- The number and boundaries of any such wards;
- The name of any such ward.

Ordinary year of election

The Local Government Act 1972 states that ordinary election of parish councils shall take place in 1976, 1979 and every fourth year thereafter (i.e. 2011, 2015, 2019 etc). However, the government has indicated that it would want the parish electoral cycle to coincide with the cycle for the District Council, so that the costs of elections can be shared. The Council at its meeting on 22nd February 2017 agreed to set the date of ordinary elections for all Town and Parish Councils as 2018 and every four years thereafter.

If the Review finds that it is appropriate to group the two parishes of Alconbury and Alconbury Weston to allow a common Parish Council to be established then this will come into effect from May 2022 when the next scheduled Town and Parish elections are due to take place.

A council for a parish

The legislation lays down the different duties that the Council has with regard to the creation of a council for a parish.

- Where the number of electors is 1,000 or more – a parish council must be created;
- Where the number of electors is 151-999 – a parish council may be created, with a parish meeting being the alternative form of governance;
- Where the number of electors is 150 or fewer – a parish council is not created.

What considerations cover the number of parish councillors?

The government has advised, and this Council concurs that "it is an important demographic principle that each person's vote should be of equal weight so far as possible, having regard to other legitimated competing factors, when it comes to the elections of councillors. Likewise, the Council notes that the number of parish councillors for each parish council shall not be less than

five. There is no maximum number. There are no rules relating to the allocations of councillors. However, in dealing with a request the following guidelines, which are based on recommendations from the National Association of Local Councils, should also be considered.

Number of Parish Councillors Guidelines

Electors	Councillors	Electors	Councillors
Up to 900	7	10,400	17
1,400	8	11,900	18
2,000	9	13,500	19
2,700	10	15,200	20
3,500	11	17,000	21
4,400	12	18,900	22
5,400	13	20,900	23
6,500	14	23,000	24
7,700	15	45,000	25
9,000	16		

The government's guidance is that "each area should be considered on its own merits, having regard to its population, geography and the pattern of communities" and therefore the Council is prepared to pay particular attention to existing levels of representation, the broad pattern of existing council sizes which have stood the test of time and the take-up of seats at elections in its consideration of this matter.

By law, the Council must have regard to the following factors when considering the number of councillors to be elected for the parish:

- The number of local government electors for the parish;
- Any change in that number which is likely to occur in the period of five years beginning with the day when the review starts.

Reorganisation of Community Governance Order and Commencement

The Review will be completed when the Council adopts the Reorganisation of Community Governance Order. Copies of this Order, the map(s) (where necessary) that show the effects of the order in detail, and the document(s) which set out the reason for the decisions that the Council has taken (including where it has decided to make no change following a Review) will be deposited at the Council Offices and published on the Council's website.

In accordance with the Guidance issued by the Government the Council will issue maps to illustrate each recommendation at a scale that will not normally be smaller than 1:10,000. These maps will be deposited with the Secretary of State at the Department of Communities and Local Government and at the Council's office at Pathfinder House, St Mary's Street, Huntingdon, Cambridgeshire, PE29 3TN. Prints will also be supplied, in accordance with the regulations, to Ordnance Survey, the Registrar General, the Land Registry, the Valuation Office Agency, the Boundary Commission for England and the Electoral Commission.

It is proposed that the Order will take effect for financial and administrative purposes on 1 April 2022.

If agreed any amendments to the electoral arrangements will come into force at the next scheduled Town and Parish Council elections in May 2022.

Consequential Matters

General Principles

The Council notes that a Reorganisation Order may cover any consequential matters that appear to the Council to be necessary or proper to give effect to the Order. These may include:

- The transfer and management or custody of property;
- The setting of precepts for new parishes;
- Provision with respect to the transfer of any functions, property, rights and liabilities
- Provision for the transfer of staff, compensation for loss of office, pensions and other staffing matters.

In these matters, the Council will be guided by Regulations that have been issued following the 2007 Act.
