

## COVID 19

The County Council would like to remind people that if they need help during this pandemic, they should go onto either the County or District website's or phone the Countywide Hub on 034504552. Free school meals will be provided to those eligible during the February Half term

The County Wide Co-ordination Hub for the Covid 19 pandemic, which was set up last year, has provided support to those who need it most. The Hub coordinated the redeployment of 420 members of staff from Cambs County Council and Peterborough City Council to support the response to the pandemic.

To date the hub has:-

Provided regular support to almost 8000 clinically vulnerable people.

Worked closely with the British Red Cross to provide 3590 people with food parcels.

Responded to 19433 requests for support, which ranged from practical support to offering advice and guidance.

Supporting 32,000 children and young people with access to food over the Christmas Break.

Helped 46 people to self- isolate where the national scheme was unable to assist.

Assisted almost 3500 households by providing information and support.

Providing 23 people with access to transport for vaccinations, who otherwise would not have the ability to get there.

The National Lockdown is underway you must not leave or be outside home your except where you have a reasonable excuse, i.e. for Work which cannot be undertaken at home, i.e. critical national infrastructure, construction or manufacturing, volunteering. Essential activities such as food shopping or obtaining services, Education or Childcare, meeting others and care, you can leave home to visit people in your support bubble , to provide informal childcare for children under 14 as part of a childcare bubble, Exercise, Medical reasons, Compassionate visits i.e. to visit someone who is dying or for you to accompany them to a medical appointment or to avoid injury or harm i.e. domestic abuse, Animal Welfare reasons and Communal worship, funerals and weddings.

To obtain more information about the vaccination programme in Cambridgeshire , please go to the following website :- [www.cambridgeshireandpeterboroughccg.nhs.uk/news-and-events/latest-news/covid-19-national-vaccination-programme](http://www.cambridgeshireandpeterboroughccg.nhs.uk/news-and-events/latest-news/covid-19-national-vaccination-programme)

On the 19th January the daily number of new people tested positive for Covid 19 in Alconbury, Brampton and the Stukeleys was 20 which gives a rate of 209 per 100,000 of population.

The latest information I have on the Coronavirus in Huntingdonshire for the period up to 25th January. There were 495 new cases over the last seven days. Which equates to 302 cases per 100,000 of population. This is a decrease of 24.9% compared to the previous seven days. There were 23 more deaths in the last seven days within 28 days of a positive test.

The Cambridgeshire and Peterborough Against Scams Partnership is advising residents of a Fake Covid 19 Vaccine Scam Text. The bogus message states that the recipient is entitled to a vaccine and to receive more information they should click on the link in blue, which then takes you to another webpage which is branded to look like a genuine NHS page, but it will ask you for your address and bank account details

Coronavirus vaccines are administered free of charge. Your surgery or the NHS will not ask for money or your bank details.

I will be attending the District Councils Flood Review meeting on Thursday 28<sup>th</sup> January. I have asked the County Council to prioritise the upgrade to the pumps for the Rust's Lane underpass, so that the village cannot be cut off. As I get more details I will keep you informed

The County Council are looking at their budgets in January/ February for the next financial year

The West Huntingdonshire Demand Responsive Transport scheme (Buses) is due to commence once lockdown has ended and once public messaging no longer discourages use of public transport. I will keep the PC updated regarding the scheme.

I attended the District Councils meeting regarding its Covid 19 Recovery programme, which is looking at jobs particularly for the young across the District, how to recreate thriving town centre's, provide support to businesses, improve cycle/footpath access, in our towns and between our villages and towns. Promote healthy living programmes etc

If you have any questions or queries please do not hesitate to contact me

Kind regards

Ian

Cllr Ian Gardener

County Councillor for Alconbury & Kimbolton

0121-192 Crown Gardens

We've had some staff changes recently at Chorus.

My colleague Sadie Benjamin (copied in) and I are now managing the support services at Chorus. Steve Woodford – Temporary Accommodation Officer (also copied in) is managing the handover and letting of Crown Gardens.

The latest update is that handover continues to be delayed. We are working hard to get the appropriate compliance and testing completed.

We're reviewing the situation on a daily basis and I hope to have an idea of a timeline by Tuesday next week.

I would welcome an opportunity to convene a short meeting with yourselves. This will help to introduce ourselves and address any questions you might have. It will also enable us to ensure everything is in place and smooth handover of the scheme.

If you can provide me with a list of potential dates/times, that would be helpful.

For future contact, please do not hesitate to contact Sadie, Steve and myself.

I look forward to hearing from you soon.

Kind Regards

Mo
